

UNITED STATES DISTRICT COURT  
DISTRICT OF NEW HAMPSHIRE

In re Jacques Dimitri Elias

Case No. 05-cv-321-PB

O R D E R

Re: Document No. 10, Motion for Leave to file  
Interlocutory Appeal

**Ruling:** The bankruptcy court's September 2, 2005 order explains in detail why a stay is not warranted. Reviewing the matter *de novo*, I reached the same conclusion reached by the bankruptcy court. Neither the debtor's motion to reconsider my ruling nor the current motion provide any new information that warrants a different conclusion. In particular, the debtor's offer to make additional payments does nothing to address the bankruptcy court's correct conclusion that the appeal is unlikely to be successful. Motion denied.
